

# Make Your Own Family Tree

The screenshot displays a family tree for the Matyas and Tarshish families. Key individuals shown include Leib Matyas (1912-1978), Hedy Matyas (1948), and their children Gilad, Ro'i, Yotam, and Aryeh Tarshish. The interface is bilingual, with names and dates provided in both Hebrew and English. A sidebar on the right provides detailed information for Leib Matyas, including his birth and death dates and a photograph.

## DoroTree – the Ultimate Software for Jewish Genealogy

*Thousands of Satisfied Users Worldwide*

- Easy to use interface
- Add pictures to your family trees
- Automatic family tree generator for your web site
